Honorable William J. Casey
Director of Central Intelligence
Washington, D.C. 20505

Dear Mr. Casey:

On behalf of the House Permanent Select Committee on Intelligence, I would like to invite you to participate in hearings before the Subcommittee on Program and Budget Authorization.

The attached schedule provides for consideration of the FY 1986 intelligence and intelligence-related budget requests. This schedule has been planned within a busy congressional schedule. I hope that we will be able to hold changes to a minimum. The schedule has been annotated to indicate whether you or the Secretary of Defense hold primary responsibility for the subject indicated and you are invited to send such representatives as you deem appropriate. A similar letter containing this information has also been sent to the Secretary of Defense.

The Subcommittee desires the presentations by witnesses to include a brief tutorial, recognizing that many Members will be new to the Committee. An emphasis is sought on the requirements basis for the various systems and programs which will be presented. We seek to understand not only the specific requirements to which individual programs are directed, but also the key intelligence questions and other top level needs from which they are derived. As in the past, the Subcommittee will continue to be interested in program details and will attempt to advise program managers in advance of hearings of specific areas where special emphasis is desired.

All hearings and briefings will be held in room H-405 of the Capitol. The Subcommittee will begin its proceedings by considering a motion to hear the testimony in executive session. Committee rules require that all prepared or written statements be submitted at least three business days in advance of the appearance of a witness. Time constraints may require witnesses to present their prepared statements in summarized form. A transcript will be made of all hearings.

Questions regarding this request may be directed to Mr. Martin Faga at 225-7690.

Sincerely yours,

Lee H. Hamilton
Chairman
